If you do not plan on coming to the meeting, please be sure that your ballot is in the HarborWalk office as soon as possible. We cannot have the meeting without a quorum.

Draft minutes from last year’s meeting have been sent out via e-mail and have been posted on the HarborWalk web site.

TREE MAINTENANCE

Trees were trimmed during February and the HOA will again spray the Myoporum trees this season. Spraying last year was life saving to the trees and harmless to beneficial insects and wildlife. The trees are recovering nicely from the deadly thrips that have plagued them for the last few years. The trees at HarborWalk are not only a community landmark but they beautify the grounds, clean the air, and provide much needed protection for the birds.

MERITIME MUSEUM

Opportunity Is Knocking!

Bring Maritime History to Life and Have Fun Doing It.

Where can you see 400 years of maritime history and meet people from all over the world? Right in your own back yard at the Channel Islands Maritime Museum, 3900 Bluefin Circle, Oxnard.

We invite you to join the active, fun volunteer group of the Channel Islands Maritime Museum.

You can bring that history to life for museum visitors as a volunteer docent. Bring life to famous ships and sea battles; speak of whalers and whaling ships, of Chinese junks and English privateers. Or, you can participate in special events or in school education programs.

The Museum is preparing for a docent training class. In just a few short weeks you could be a part of making history live, having fun, and doing something good for everyone.

Even when opportunity knocks, you have to get up and answer the door!

Interested? Call 805-984-6260 to sign up for the class or to get more information.
